power him. He succeeded in getting the better of one, but another shot him in the stomach, and it is thought that he will die.

The robbers then held the other people in the car in check with their revolvers until the train was near Mount Pulaski. Then one of them jumped off the train, which was running about twenty-five miles an hour.

The others got off at Mount Pulaski, and nothing further has been heard of them. They did not get any money o jewelry from the passengers.
